MK TEST SYSTEMS WEBSITE

Every effort is made to ensure that information contained on this website is up to date, relevant and accurate. Please contact MK TEST SYSTEMS to confirm details and specifications prior to making any business, process, or other decisions based on information obtained from our website.

Certain links in this website will lead to websites which are not under the control of MK TEST SYSTEMS. When you activate these you will leave this website. MK TEST SYSTEMS has no control over and accepts no liability in respect of materials, products or services available on any website which is not under the control of MK TEST SYSTEMS.

To the extent not prohibited by law, in no circumstances shall MK TEST SYSTEMS be liable to you or any other third parties for any loss or damage (including, without limitation, damage for loss of business or loss of profits) arising directly or indirectly from your use of, or inability to use, this site or any of the material contained in it.

These disclaimers and exclusions shall be governed by and construed in accordance with English law.

DATA PROTECTION AND PRIVACY

MK TEST SYSTEMS recognizes that your privacy is important to you and is committed to respecting that privacy. We will apply appropriate protection and management of any personally identifiable information you share with us. The information you submit online will be kept confidential and with the highest standards of security once it reaches our server. Personal information received in hard copy will be treated as confidential and held in appropriately secure storage.

Any personal information provided by you to MK TEST SYSTEMS through your use of this website, via email, any other online channel, or in hard copy will only be used for the following purposes by MK TEST SYSTEMS:

- Defining areas of interest to you and improving the website to meet users' habits and requirements and compiling information relating to users' movements across the website
- Advising you of other products or services, which may be of interest
- Providing news and information, which may be of interest
- Providing product proposals and quotations in response to an expression of interest or specific request for proposal.

Any personal information received from you will be retained by us and not sold, transferred or otherwise disclosed to any third party.

This data protection and privacy policy statement relates to any information provided by you on this website, via other online services, via email or in hard copy. This information includes your registration details, any additional information you choose to submit and the information MK TEST SYSTEMS gathers by tracking your movements across the website.

This privacy policy is not intended to, and does not, create any contractual or other legal rights.

From 25th May 2018 when new Data Protection legislation comes into force MK TEST SYSTEMS will be categorised as a B2B communicator and will continue to abide by both Data Protection and PECR regulations. Our GDPR Policy is available upon request.

To instruct MK Test Systems to remove your personal data from our databases and records please email info@mktest.com

SECURITY

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever we collect sensitive information in electronic format, that information is encrypted and transmitted to us in a secure way.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

COOKIES

We use "cookies" on the MK Test Systems website. A cookie is a piece of data stored on a site visitor's hard drive to help us improve your access to our site and identify repeat visitors to our site. Cookies can also enable us to track and target the interests of our users, in order to enhance the experience on our site. Usage of a cookie is in no way linked to any personally identifiable information on our site.

UPDATES

Our Privacy Policy may change from time to time and all updates will be posted on this page.
